

## President's Spotlight

Summer is here, and things are starting to heat up at Day Air. In fact, over the past few months we have received several distinctions for being a top-rated business in the Miami Valley and a top-rated Credit Union in the country. Additionally, we've continued to grow our products and services to better serve YOU our Member-Owners!

Take a look below at just some of the exciting news from your credit union during the past quarter!

### Day Air Named Top 200 Healthiest Credit Unions Nationally

Your credit union was recognized among the nation's 5,743 federally insured credit unions receiving an A+ health rating, a score only 11% of financial institutions in the nation received and was ranked **#66 out of the 200** Healthiest Credit Unions in the country.

### Day Air Board of Directors

Your credit union held its annual meeting in April, where the record-breaking financial results of 2017 were celebrated. Additionally, directors elected to the board were announced including; Al Bertleff, Ed Kuhlman, and Ray Wagoner. Congratulations to these individuals and thank you to all of the members who made this year's board elections a success.

### Day Air Joins List of Top 100 Dayton-Area Companies

Your credit union joined some of the largest and most successful companies in the Miami Valley on the list of Top 100 Dayton-Area Companies posted by the Dayton Business Journal. Recognition like this is exciting, but even more exciting is our ability to use our financial success to give back to you through products and services, and to our community through donations of time and money.
